Graduate College

All graduate degree candidates are listed under the college of their academic major.

The Academic Procession

The procession begins with the entrance of the candidates for degrees. Led by faculty marshals, the candidates for the degree of Bachelor of Arts, both the Teaching Program and the Liberal Arts Program, Bachelor of Fine Arts, Bachelor of Liberal Studies, Bachelor of Music and Bachelor of Science enter in groups, representing each of the undergraduate colleges. They are followed by the candidates for the highest degrees.

Students wearing a bronze medallion are those graduating summa cum laude (with highest honors), which represent the top three percent of each college by grade point average; or those graduating students receiving a Purple and Old Gold Award, given to those students who have excelled in scholarship or who have shown conspicuous achievement in particular areas.

The procession continues with representatives of the faculty.

The President's Party forms the final section of the academic procession. Headed by the commencement marshal, it includes the president; members of the Board of Regents, state of Iowa; administrative officers; the academic deans; and honored guests.

The individuals leading the procession of the graduates, the faculty and the president's party carry a mace which is a symbol of office. Those individuals are the student body president, the chair of the faculty and the university commencement marshal. Over long tradition, a mace is a symbol of authority and official celebration. The university mace is the largest of the three maces and it embodies the history and dignity of the entire university. The president wears a jeweled "Chain of Office" symbolizing the wearer is the leader of the institution. The silver chain includes links with the names of previous presidents of the institution, as well as previous names of the university.

The academic costumes worn trace their origin to the Middle Ages when long-sleeved hooded gowns were necessary for warmth in the unheated stone colleges. Over the centuries, much diversity occurred, and to bring some order, in the United States in 1894 an intercollegiate system of academic costume was agreed on, now adhered to by American institutions. According to this code, both the styling and colors of the regalia have significance.

The design of the gown indicates the degree. The bachelor's is a simple gown with a full sleeve. The master's gown is much like it except for the long sleeve which hangs loose. The doctoral gown is fuller and more elaborate. It has velvet edging and three velvet stripes on the full sleeve. The color of this velvet may be black or in the color appropriate to the degree.

Hoods, which are worn over the gowns, are similar for all degrees, although differing slightly in length. The candidates for the bachelor's degrees usually do not wear the hood. The hood has a velvet edging which indicates the area of the degree, and the inside or lining of the hood is satin in the colors of the college or university granting the degree.

A partial list of the degree colors to be found on the edge of the hood or the trimming on the doctoral gown is as follows:

Apricot - Nursing	Drab - Business	Orange - Engineering
Blue, dark - Philosophy	Green - Medicine	Pink - Music
Blue, light - Education	Green Sage - Physical Education	Purple - Law
Brown - Fine Arts	Lemon - Library Science	Scarlet - Theology
Citron - Social Science	Maize - Agriculture	White - Arts and Letters
Copper - Economics	Maroon - Family and Consumer Sciences	Yellow, Golden - Science

Simon Estes

Simon Estes is an internationally renowned singer, educator, philanthropist and humanitarian. Estes, a native of Centerville, Iowa, received a Bachelor of Music degree from the University of Iowa, a Doctor of Music degree from Luther College and multiple Honorary Doctorate degrees. Estes currently serves as a Distinguished Professor and Artist-in-Residence at both Wartburg College and Iowa State University.

Estes has received multiple awards, including a Bronze Medal in the International Tchaikovsky Competition in Moscow, the Contemporary Black History Maker Award, a United States Constitution Bicentennial Medal, an Award of Excellence for Higher Education, the Gold Medal of Gran Teatre del Liceu in Barcelona, Spain, a Distinguished Service Award for outstanding dedication and contributions to Iowa, and the Distinguished Iowa Citizen Award. He was recognized as the Best Vocal Educator of the Year by the Brooklyn Opera Company.

Estes has performed for multiple United States presidents, Nobel Prize laureates, Pope John Paul II and international heads of state. He has performed with major national and international opera companies, including New York's Metropolitan Opera, Chicago's Lyric Opera, Berlin's Deutsche Oper, Covent Garden's Royal Opera House, and the State Operas of Hamburg, Munich, Vienna and Zurich. Estes has performed with such diverse artists as Jose Carreras, Placido Domingo, Luciano Pavarotti, Joan Sutherland, Harry Belafonte, Johnny Cash, Ray Charles, John Denver and Whitney Houston. Among his works, he has recorded both operatic and religious music, working with recording companies such as Auvidis, Decca, Deutsche Grammophon, Deutsche Schallplatten, EMI, Philips Classics and Sony Classical records.

Estes spends much of his free time giving back to children and youth, by setting up multiple scholarship foundations in the United States and abroad. One of his passions is helping underprivileged children improve their health and education. For example, he has partnered with the United Nations to work to help eliminate malaria in Africa. He has set up a high school for underprivileged youth in Cape Town, South Africa. He often provides benefit concerts with high school students for such causes.

One of Estes' more recent initiatives is his Roots & Wings tour, which has taken him to all 99 Iowa counties. He contributes 50 percent of the proceeds for his concerts on this tour to support scholarships for high school seniors to attend college. In addition, he has developed a Young Artist Performance Program to help young artists advance their performance careers. With all of his philanthropic work, he has awarded more than 300 scholarships, with recipients graduating from more than 50 colleges and universities across the United States.

Upon recommendation of the University Honorary Degrees Committee, the Faculty Senate and the president of the university, and with the unanimous consent of the Board of Regents, State of Iowa, it is a privilege to present Simon Estes the Degree of Doctor of Humane Letters, honoris causa.
